CITY OF LOS ANGELES REMINDS LOCAL BUSINESSES IT'S TIME TO RENEW

Updated website offers easy filing on mobile devices

LOS ANGELES — The Los Angeles Office of Finance is reminding entrepreneurs, business owners, and individuals that conduct business activities within the City of Los Angeles that it's time to submit their Business Tax Renewal Form.

The filing period ends February 28, 2017, and businesses are encouraged to avoid lines or delays by filing early online or at one of three office locations (listed below). The Office of Finance has a newly updated website that makes it easier than ever to submit the form online from any kind of device: finance.lacity.org.

All registered businesses must submit a Business Tax Renewal Form even if they don't owe taxes. You may qualify for an exemption, especially if you have a new or small business. Businesses that qualify for the Small Business Exemption are also eligible to receive assistance in completing their tax renewal forms until February 10, 2017. For more information, visit finance.lacity.org or call [844-663-4411](tel:844-663-4411).
